The 17-member FasTracks Citizens Advisory Committee advises the Regional Transportation District (RTD) on matters relating to the implementation of the voter approved FasTracks Program.

The mission of the Citizen Advisory Committee (CAC) is:

- To receive staff reports on the progress of the project in relationship to established schedules, budget allocations, Disadvantaged/Small Business Enterprise (D/SBE) goals and quality management guidelines.
- To provide region-oriented advice to the Board of Directors on issues related to the implementation of the FasTracks Program.
- To review and provide comment on the Denver Regional Council of Governments (DRCOG) Annual FasTracks Review Report.
- To promote public awareness and understanding of the voter approved FasTracks Program and its implementation.

To encourage public participation, quarterly meetings are held in the evening at locations around the District. The Committee also holds monthly work sessions as needed. Additional information about the CAC can be found on the Web at www.rtd-fastracks.com.
