RTD FasTracks Citizens Advisory Committee to Meet in Westminster June 26

Second Quarterly Outreach Meeting Scheduled at Westminster City Hall

DENVER, June 12, 2013 — The 17-member FasTracks Citizens Advisory Committee (CAC), which advises the Regional Transportation District (RTD) on matters relating to RTD's voter-approved FasTracks program, will hold its second mobile quarterly meeting Wednesday, June 26, in Westminster. The meeting will be held noon to 2 p.m. at the Westminster City Hall, Council Chambers, 4800 W. 92nd Ave.

The CAC takes its quarterly outreach meetings to different locations around the region to make it easier for the public to offer input on FasTracks and receive updates on the rapid transit program.

"The RTD FasTracks program is progressing rapidly and we want to make sure the public is aware of all that is happening while also giving local communities a chance to provide us with input," said David Lewis, who shares CAC co-chair duties with Hugh Wilson.

The June 26 meeting will provide updates on:

- Northwest Area Mobility Study
- U.S. 36 bus rapid transit, or BRT

The Westminster City Hall is accessible by RTD bus routes. For RTD trip planning, visit www.rtd-denver.com.

###

About the Citizens Advisory Committee

The Citizens Advisory Committee receives updates on the progress of the FasTracks program, provide region-oriented advice to the RTD Board of Directors, review and comment on RTD's Annual FasTracks Report to the Denver Regional Council of Governments, and to promote public awareness and understanding of the FasTracks program and its implementation. The committee also holds monthly work sessions. Additional information about the CAC can be found at www.rtd-fastracks.com.

About FasTracks

FasTracks is RTD's voter-approved transit expansion program to build 122 miles of commuter rail and light rail, 18 miles of bus rapid transit service, add 21,000 new parking spaces, redevelop Denver Union Station and redirect bus service to better connect the eight-county district.
